Business school rankings, including MBA, MSC, and European MBA rankings from the Financial Times

Business school rankings from the Financial Times - FT.com

Emergency management is the organization and management of the resources and responsibilities for dealing with all humanitarian aspects of emergencies (preparedness, response, mitigation, and recovery). The aim is to reduce the harmful effects of all hazards, including disasters.. The World Health Organization defines an emergency as the state in which normal procedures are interrupted, and ...

Emergency management - Wikipedia

Finance is a field that is concerned with the allocation of assets and liabilities over space and time, often under conditions of risk or uncertainty. Finance can also be defined as the art of money management. Participants in the market aim to price assets based on their risk level, fundamental value, and their expected rate of return. Finance can be split into three sub-categories: public ...
