Welcome to the third and final iteration of the Classic Mac Networking Guide. This guide will detail the steps and procedures required to network the former generation of Macintoshes to each other, and to modern computers and networks.

Classic Mac Networking

We've updated and reworked the user guide for BitScope Logic so you can browse it online and download a PDF for printing.. We've added information about new features in the current release including keyboard short-cuts to scroll, zoom and snap to edge, inter-channel time measurement and packet inspector.. We've also started publishing icons on the BitScope Logic and other software application ...
